

Global Book Exchange

AN ALL-VOLUNTEER ORGANIZATION

Textbooks & library books. We have them. We accept them.

MORE INFO - www.bookexchangemarin.org

TEACHERS:

- Enhance classroom libraries. Especially great for 1st-year teachers and teachers changing grade levels.
- Reward student success. Teachers can get extra books to give students as holiday gifts.

ADMINISTRATORS:

- Get extra copies of texts & workbooks for growing enrollments (no need to buy more at publishers' retail prices).
- Bring your unneeded books to us instead of the landfill. If we can't find homes for them locally, we'll get them where they're needed.

We are here to serve children and our public schools. Our prices are less than 10% of publishers' and new-book costs. Ask about free Rotary sponsorships and field trips for your students. We provide a terrific community service opportunity for your teen students.
